The minutes of the January 6, 1966 meeting on the Salary Study by Public Administration Service were approved as presented in the verbatim report.

The February 8, 1966 budget meeting was discussed. Mr. Sappington reported the budget presented was given tentative approval with respect to sending it to the Screening Committee. The members present "did not give it tentative board approval...it was acceptable so far as a tentative budget...and directed Mrs. Howe to send it to the Screening Committee at City Hall." Mr. Grohne asked if the new library was included and whether there needed to be a bond issue. Mrs. Howe said, "Not if you can get it within your levy."

Mr. Sappington explained that the Screening Committee will point out the inconsistencies and when the budget is returned to the board the Budget Committee will make a final study.

Mr. West presented the February bills for payment. Mr. Olsen seconded the motion. Roll call vote was taken. Mr. Sappington, Mrs. Pogue, Mrs. Russell, Mrs. Stern, Mr. Grohne, Mr. Olsen, Mr. Pilcher, Mr. Tebussek, and Mr. West voted aye. Motion carried.

It was reported that Mr. Jack Burnett, Auditor, had checked the figures for cash amount remaining in the appropriation and it was \$36,384.98. Mr. Grohne said the Finance Committee was aware of the situation and there can't be any needless expenditures, "If we make it we will just 'squeak' through."

It was determined that any expenditures beyond the allocated amounts would necessitate a special budget meeting. Emergencies such as higher power bills, vehicle expenses, will be dealt with as a request for emergency appropriation.

Mrs. Howe reported \$258,489.87 spent to date through February 1966. The Rolling Prairie Libraries' bills have totalled \$11,981.15, so this must be subtracted from the appropriation of \$306,876.00 leaving a balance of \$294,894.85. Thus, the library is trying to stay within \$293,000.00. That leaves a balance of \$36,384.98 to spend for two months. She explained the transfer and lay-offs for some personnel.

Mr. Sappington called for a motion relating to the next two months' expenditures. Mr. West moved if any expenditures exceeding those listed on the estimate are necessary a special meeting of the board would be called. Mr. Pilcher moved that the Finance Committee be called and get approval to spend more than is listed on the estimate sheet. The first motion was killed for lack of a second. Motion by Mr. Pilcher was called for vote. All present voted aye. Motion carried that the Finance Committee be called should circumstances call for an expenditure of money other than those which are listed or circumstances call for an amount which exceeds these amounts.

Mr. West called the board's attention to the matter of examining the bills each month. Mr. Sappington said the Finance Committee should decide this for the remainder of the year. He said Mr. Jack Burnett "raised the point that we are approving bills which are not subject to internal control." Mrs. Howe said Mr. Burnett also made a point of the expense - he can do this, but he needed to know how large a sampling to make." Mr. Grohne, Mr. West, and Mr. Sappington voiced the opinion that it was not the duty of the Finance Committee to check every bill. Mr. Sappington said he thought the Finance Committee and the Policy Committee could bring in a joint recommendation. In view of the fact bill lists will be short for the next two months, the Committee could go over them. Mrs. Howe said the Committee had examined bills up to July 1, 1965.

Mr. Sappington presented the warranty deed from the State of Illinois in which the library is deeding a section of library property on the corner of Eldorado and Main. Also, the library is giving the state a temporary easement. The City Ordinance has been passed (He read the ordinance which is attached to the minutes.) He then called for signatures of the board members on both copies of the warranty deed. All members of the Board of Directors signed the deed: W. A. Sappington, David Pilcher, Josie M. Russell, Alice K. Stern, R. A. Grohne, William L. Olsen, Jr., R. B. West, Olivia B. Pogue, William L. Tebussek. Mrs. Carma Snyder from Gorham & Sons notarized the signatures. Mr. Sappington and Mrs. Howe thanked Mrs. Snyder for her services.

Mrs. Stern reported on the Personnel Committee meeting. Mr. Kirk met with the Screening Committee and will calculate the salaries. Mrs. Howe reported on the staff vacancies.

There was no Properties Committee meeting and no report.

The Policy Committee did not meet during February, but Mr. Grohne referred to some policy recommendations and the outline he had developed while on vacation. He referred to the early survey made by Mrs. Howe. "After talking to people over at the University of Illinois...it appeared that we couldn't completely separate just the responsibilities of the board...there is too much over-lapping." He said the committee hoped to develop the complete policy statement in the next five to six months.

Mr. Sappington asked about the Policy Committee's consideration with respect to a board member attending the Friends' meeting and becoming a part of their executive group. Since the committee did not meet, but was present, he asked for no more delay. The request from the Friends' asked that someone be appointed; however, he said he would like someone to volunteer to serve. Mr. Grohne suggested the President appoint a representative with the approval of the board. He moved the President appoint a representative to the Friends of the Library. Mr. Pilcher seconded the motion. The discussion that followed brought out the fact the DPL representative is an ex-officio member and not a board member of the Friends. So, the appointment is for the purpose of facilitating communications...there is not conflict of interest. The question was called. Eight members voted aye. One voted nay. Motion carried.

Mr. Sappington said he talked with Mayor Arnold "this morning".

A resolution was read: "In recognition of the faithful services of Mr. Edmund R. Knuth as a member of the Board of Directors of the Decatur Public Library from July 1, 1934 to June 30, 1952, the Board of Directors of the Decatur Public Library in session on February 25, 1966 extends its sincere sympathy to the Knuth family." Mr. Pilcher moved the resolution be sent to Mrs. Knuth. Mr. Grohne seconded the motion. All present voted aye. Motion carried. Mr. Sappington read the resolution again and all present voted aye. The resolution was approved.

Mrs. Pogue reported Rolling Prairie Libraries' board met February 9, 1966. Miss Elizabeth Edwards will be the new director. Mrs. Howe cannot handle both jobs. Circulation is up. There are 10 member libraries and 6 direct stops. Warrensburg and Effingham have applied for membership. Moultrie County was the first 100% county. Macon County will be the second 100% county. Audio-visual equipment will be ordered. The members of the boards of each library may join the group policy with Blue Cross and Blue Shield. The insurance on Rolling Prairie is up to date except the valuable papers. Mrs. Howe explained "valuable papers" refers to books and official records of the contents of the library. Mrs. Pogue said all libraries are cataloging their collections so there will be a union catalog of all books in the system.

Mrs. Howe reported the newspaper called to say Rolling Prairie Libraries had been granted conditional approval. The system has 5 years to bring up the requirements to 150,000 population or 4,000 square miles. The 1960 Federal Census figures are used.

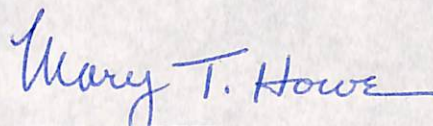

Mr. Tebussek asked when the Decatur budget will come back from the city's Screening Committee. Mrs. Howe said she thought only one more budget meeting would be necessary if the Screening Committee was specific in its recommendations.

The next board meeting was announced for March 25, 1966. The Finance Committee will be held March 23, 1966. Mr. Grohne set the Policy Committee for March 16, 1966 at 4:30 p.m. Mr. Pilcher asked for a Properties Committee meeting March 21, 1966 at 4:00 p.m. Mrs. Howe suggested the week of March 7 - 11 for budget meeting. It was suggested Tuesday be the best day of the week for the meeting. This is dependent upon whenever the budget is returned to the board. Meeting to be arranged later. Mrs. Howe made a brief report that she "is just holding on".

Mrs. Edith McNabb said, "If you want the Friends to be really helpful they are not about to come barging in - but, you have a terrific group and if we can work out the kind of liaison they can do wonders for you."

The meeting adjourned at 5:55 p.m.

Respectfully submitted,

The City Finance Office has requested the Decatur Public Library to change its method of accounting to conform with the City's procedures. Reimbursements formerly allowed are reclassified as income. The effect of this reclassification is a cut-back in the amount of money DPL may spend during the current fiscal year, 1965/1966. Therefore, we have asked for certain changes in the staff. Those members who can move with the least disturbance to their IMRF have been asked to transfer to the Rolling Prairie Libraries on a three months' leave from DPL.

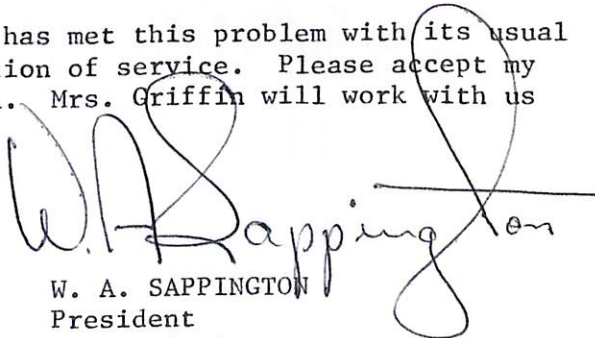

This process has its blessings: DPL has never requested RPL to process its registration, reserves, etc., although this is one of the services RPL gives to its members. Now DPL is asking RPL to do the same for Decatur as it does for the other member libraries. We are the headquarters library for the system and a member library of the RPL system.

The following persons are involved in this move:

Nova York	Wesley Newcome
Marjorie Veach	Edith McNabb
Marjorie Dobrinick	Judith Hansen
Barbara Fischer	Gayle Chapman

Mrs. Hoppe requested a transfer to Rolling Prairie prior to the above action and has been transferred on a permanent basis. It is with regret that we have also accepted the resignation of Mrs. Cheville so she may be at home with her children.

I am proud to say the staff of DPL has met this problem with its usual good sense and with a minimum of disruption of service. Please accept my thanks for this attitude and cooperation. Mrs. Griffin will work with us on schedules and work programs.

Dear Mrs. Howe:

I have a letter from Warren Hyser of Public Administration Service that states he did not make any proposal, informal or otherwise, regarding a job study. He does state that such a study would be "quite expensive".

Someone else up there must have quoted you an estimate. I'm not familiar with their organization but I feel that Mr. Hyser is the one to get the proper information from.

Dear Mrs. Howe:

The Civil Service Commission met in Special Meeting to consider the status of certain Civil Service employees who are now being paid from Rolling Prairie Library funds.

The Commission agreed that Rule 9-3 "Leave of Absence", does not apply in this case but that instead Rule 10-2 "Lay-offs", as set out below, does apply and must be adhered to immediately.

The Commission does not wish to go back over the past few weeks and consider the status of any employee who has been on the Rolling Prairie payroll but is only interested in handling the situation in accordance with Rule 10-2.

Please advise which employees will be laid off, the date they started at the Library, and their present classification.

Rule 10-2 "Lay-offs" Whenever it becomes necessary, through lack of work or funds or for other cause, to reduce the force in any employment, the person who was last certified to such employment, shall be the first laid off. Persons laid off in accordance with the foregoing procedure shall be entitled to have their names placed at the head of a reinstatement list, according to the seniority of their certifications. Such reinstatement lists shall take precedence over eligible lists."

Juveniles

Police Hold Back Names In Accidents

City police are withholding from the press auto accident reports involving juveniles.

Police Chief James H. May announced the move in response to a new state Juvenile Act which bars public disclosure of certain records involving juveniles.

May said his department was advised to withhold the information, but declined to reveal the source of his advice.

The county sheriff's office will continue to release accident reports involving juveniles.

State's Attorney Basil G. Greanias said Wednesday that the sheriff's office, in his opinion, is under no restriction in connection with traffic accident reports.

Even insurance claims adjusters are barred from seeing city accident reports involving juveniles.

Gerald Anderson, claims manager for State Farm Mutual Insurance Co., here said an attorney has been hired by the firm to check into the matter.

Information last night on one accident, apparently involving a juvenile driver, was withheld today from reporters.

The two-car accident occurred about 9:15 p. m. in the 700 Block S. Webster St. At least one person was hurt in the crash and a citation was issued one of the drivers.

St. Mary's hospital reports treating an auto accident victim about 9:30 p. m. Wednesday. She was Vickie Sue Wright, 18, of 901 W. Macon St. Miss Wright was treated for minor injuries and released.

800 to Attend Church Event

In attendance of about 800 is expected at the Chapel Assembly of Jehovah's Witnesses being held at the Decatur Armory.

City Blamed

Library Faces Financial Crisis

The Decatur Public Library is fighting to stay open under the press of its most serious financial trouble in years.

W. A. Sappington, library board president, today blamed the shortage of funds on the city council's failure to approve a hike in the library's budget asked by the board last year.

The board's January 1965 request for \$21,000 more than the \$306,000 first asked was rejected by the city.

Sappington said today that no satisfactory explanation was ever offered by the city for turning down the request for money.

A new appropriation will take effect May 1, but the problem is staying open until then.

To conserve rapidly diminishing funds, these money-saving steps have been put into effect, or are planned.

At least five employees have been laid off, but will be reinstated May 1.

The mailing of overdue book notices will be stopped until May 1 to save postage.

The bookmobiles "might have to come off the road in April," Mrs. Mary T. Howe, librarian, said, because their is only \$200 left in the repair account.

The purchase of books and other items not regarded as fixed costs, has been stopped.

The janitorial service will

be reduced to avoid exceeding the appropriation.

Mrs. Howe said the library has authority to spend \$36,385 during March and April.

Fixed costs, including salaries, run just about \$300 less than that.

But Mrs. Howe cautioned, "If anything unforeseen happens, we're out."

The irony of the library's problem is that it has more cash than it has authority to spend.

It's appropriation for the year—the spending ceiling—is \$306,876. Of that, about \$200,000 is for salaries.

As of Tuesday, the city treasurer had \$36,917 of library funds, but to stay below the ceiling, he cannot give the library more than \$30,349 of that amount.

In addition, the library has small amounts of money in its checking account and in investments.

Mrs. Howe also said she anticipates a surplus of \$16,000 to \$17,000 by May 1, most of which will be in the form of a \$12,900 reimbursement from the state for Decatur's role in paying expenses of the relatively new, Rolling Prairie Regional Library system.

Again, however, this surplus is unuseable for current expenses since if it were used, expenditures would exceed the \$306,000 ceiling.

Leaders See Success in Sears Drive

The drive to raise funds needed to retain Sears Roebuck & Co. downtown was reported within \$300,000 to \$400,000 of its goal Wednesday night.

William Barnes III, president of the Downtown Development Corp., said up to \$400,000 is still needed to reach a \$3 million goal in stock and debenture subscriptions.

Options on more than one block of downtown property for the new store site expire Tuesday, he said.

Barnes told members of the Downtown Decatur Council attending the group's annual meeting, "We will come up with the money, one way or another."

Although running against a time limit, he said, "We have no intention of failing."

Sears has said it wants to be in a new Decatur store by next year.

Construction would have to begin early this year to meet that deadline.

Barnes said subscriptions total more than \$1.3 million and another \$250,000 is expected in the next day or so.

He was unable to tell the group how the remaining \$300,000 to \$400,000 needed would be raised.

ForeSight, Inc., a corporation formed by downtown interests to buy, build and then lease a new store building to Sears, was formed some weeks ago.

Barnes also reported negotiations to enlarge the J. C. Penney Co. store have proved unsuccessful. He said they are in the final stages of obtaining these signatures.

YMCA Drive To Continue Into March

The 1966 YMCA membership drive called the "Back of Decatur" has been extended into March.

Six Take Petitions

Three Democrats and three Republicans have taken out nominating petitions as candidates for the June county primary.
